SUBJECT: Reports Required by Congress						
<p>The House Appropriations Committee has now issued its report on the FY 86 DoD Appropriation Bill (House Report 99-332, October 24, 1985). This report has been screened for items requiring a formal response to the committee. Attached is a listing of those items identified with a tentative action office indication. If you disagree with the action office indicated, please contact my office. We will convene a meeting and confirm final tasking as soon as the SAC and Conference Reports are issued.</p> <p>Because of short suspense dates, you may want to commence work on these items even though the conference report may revise the requirements.</p>
